ESTD. 1998

WHAT SRGOC OFFERS...

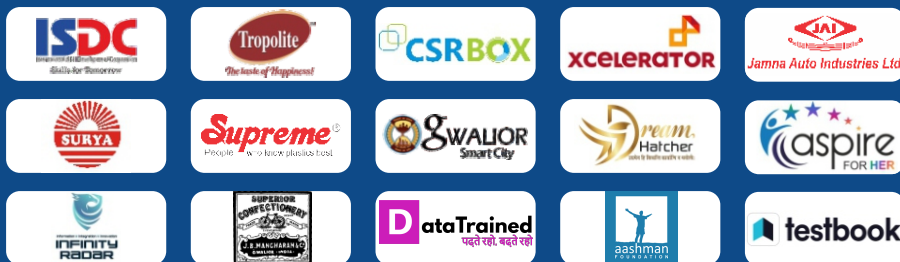

- Established in 1998, celebrating 28 years of excellence in quality education.
- Innovative teaching–learning methodology that ensures an enriching academic experience.
- Advanced laboratories with the latest machinery and state-of-the-art workshops.
- Fully Wi-Fi enabled campus with high-speed (100 Mbps) leased-line connectivity.
- Separate in-campus hostel facilities for boys and girls.
- Strong industry interface through SRIC, SRIIC, and an active Career Development Cell.
- Internship opportunities from the first semester, along with industrial training and educational tours.
- Regular seminars, workshops, and access to a well-equipped e-library.
- Excellent campus facilities including a spacious cafeteria, sports infrastructure, NCC, and student activity clubs.
- Smart, air-conditioned classrooms with modern teaching aids.
- Extensive transport connectivity across Gwalior and nearby regions.
- Advanced computing labs specializing in Artificial Intelligence, Data Science, and Machine Learning.
